## FOR HOLDING UP THIS CARD AND SHOWING RACISM THE RED CARD.

**SHOW RACISM THE RED CARD** is an anti-racism and anti-discrimination programme utilising the high-profile status of football and football players to help tackle racism in football, and through football. Football has the power to make a positive impact in society by promoting progressive values of tolerance and inclusion. Football is often said to be a reflection of our societies: we must show everyone that there is no place for racism or any type of discrimination, in European football just like in European societies.

Today, in Europe, Professional football has one of the most socially powerful voices, with a reach of millions. Together, clubs and players can make a change. Be an ally in the fight against racism: Show Racism the Red Card to demonstrate your support.

This game will not be an easy one, but together we can do it. Be part of the team, Show Racism the Red Card.
